Education is not the filling of a pail, but the lighting of a fire. W.B. Yeats

What happened in the last two months at PVPSchool?

- Pongolo Valley Farming came to our doorstep with their ewes to be inseminated. Questions like: "Will they have twins?", "Are the lambs there yet?" brightened our day. What a wonderful opportunity to learn about the bees & birds, vets and teamwork.
- The tyre gardens are growing well under the care of our children and staff, although the morning watering has been moved to later in the day—it is just too cold in the mornings.
- A great donation of Duplo is highly appreciated by children & teachers. Thank you so much to "Caring for Education" for this enormous gift.
- We had our annual photo day at school — we cannot wait for the photos! Thank you so much, Anné from "Loveshots" for visiting us.
- Winter Holidays are almost over now— We look forward to the third term of 2019!

Please remember our **Book Run** on 13 July 2019, starting at 8h00 (registrations from 7h30) from our school library. Entrance fee is a book suitable for the Foundation Phase (Gr RRR to Gr 2).

From the Classroom: If we ask a question about any Bible story the answer more often than not is: "God!", and when Renate asked: "What do we call an animal doctor?" "Dr.Seuss!" was the quick reply.

(The Theme in Grade 2 is Dr.Seuss)
